## RED CROSS MEMBERSHIP DRIVE

It has seemed best that the drive for new members in Paw Paw be postponed until after the present week. This does not mean that Paw Paw is not to do her share, but it does mean that we can better do our share a few days later. We want and ought to have three hundred new members in Paw Paw. We are especially after the year 1918. We would really like to have those who joined last Spring, RENEW THEIR MEMBERSHIPS NOW FOR 1918. This is not required, but we would like as many to do this as are willing. You know this is all your work and the interest and help of all is needed. You know too they are doing this all over the United States. We expect 15,000,000 members at the beginning of 1918. Van Buren County's quota is 2,000, let us make it 5,000. Every body be ready to join.
